

A Record of Those Who  
Served in the Civil War

1861 - 1865

FROM THE TOWN OF  
POMFRET, CONN.

## INTRODUCTION

---

At the annual town meeting in Pomfret held in October, 1815, a sum of money was voted for the purpose of compiling and printing a list of those from the town who served in the Civil War, 1861 - 1865, and the result is now before you. The lists of the Adjutant General's office have been carefully examined, private records consulted, and reports in the Adjutant General's office of other States, so that while claim cannot be made that it is absolutely correct, yet it may be said to be reasonably so. Also, the writer, either at the time of service, or since, has had a personal acquaintance with almost all whose names are here given.

There are some names given here, such as W. Phillips, W. Smith, C. Burton and Albert Clapp, who were not actual residents at the time of service, yet had only left the town a short time previous or had all their family relations in the town. And again, there are other names, such as Charles Matthewson, Edward P. Matthewson, Edward H. Grosvenor, Reuben Weeks, and others, who are credited to Hartford, Killingly, and other towns, but who were at the time of service actual residents and voters in this town. Not knowingly, has any name been omitted that I thought ought to be on the list.

Very respectfully,

RALPH J. SABIN,

Co. A., 43rd Regt., M. V. M.

Pomfret, Conn., 1916.

A Record of Those Who  
Served in the Civil War

1861 - 1865

FROM THE TOWN OF  
POMFRET, CONN.

## INTRODUCTION

---

At the annual town meeting in Pomfret held in October, 1815, a sum of money was voted for the purpose of compiling and printing a list of those from the town who served in the Civil War, 1861 - 1865, and the result is now before you. The lists of the Adjutant General's office have been carefully examined, private records consulted, and reports in the Adjutant General's office of other States, so that while claim cannot be made that it is absolutely correct, yet it may be said to be reasonably so. Also, the writer, either at the time of service, or since, has had a personal acquaintance with almost all whose names are here given.

There are some names given here, such as W. Phillips, W. Smith, C. Burton and Albert Clapp, who were not actual residents at the time of service, yet had only left the town a short time previous or had all their family relations in the town. And again, there are other names, such as Charles Matthewson, Edward P. Matthewson, Edward H. Grosvenor, Reuben Weeks, and others, who are credited to Hartford, Killingly, and other towns, but who were at the time of service actual residents and voters in this town. Not knowingly, has any name been omitted that I thought ought to be on the list.

Very respectfully,

RALPH J. SABIN,

Co. A., 43rd Regt., M. V. M.

Pomfret, Conn., 1916.
